

# About us

The Meu Kantinho Centro de Cultura is a non-profit work, created and founded by musician Sebastian Cloves on May 1, 1998. In this cultural center is developed a voluntary work geared towards children and adolescents of the Penha Circular region in Rio de Janeiro - Brazil .

# Our Goal

The main goal is offer Musical teaching for Children and Adolescents of the Rio de Janeiro, aged between 7 and 18 years.

# The Project

**We have as a general objective:**

To work to make children and young people aware of the importance of studies for the future, both for work, socialization and quality of life.

Here develop the sensitivity, the artistic and intellectual skills of young people, using values that musical knowledge brings, such as teamwork, mutual respect and the critical spirit.
